The 1980s: Britain in Pictures

By Richardson, Paul, Editor.

Ammonite Press. 1 Paperback(s), 2008. soft. Book Condition: New. The 1980s were boom years for Britain, with finance and technology seeing the country through some otherwise difficult years as traditional industries gave way to new ones, while also experiencing picket line confrontations and the Falkland Islands confrontation with Argentina. But there was plenty of glamour during the decade, as the New Romantics, Live Aid, and the royal wedding of Charles and Diana engaged and entertained the nation. This book illuminates the era in some 300 captioned photos from the archives of the Press Association, founded in 1868 as Britain's national news-collecting and reporting service. 300.
