Many homeowners try to sell their home, without an agent, believing that they can find a buyer just as quickly and avoid paying a commission. But often, nothing can be further from the truth. Now, in The Real Estate Agent s Guide to FSBOs, he shows other agents how they can do the same. Using these proven techniques, agents will learn how to: * find FSBOs * approach a prospect * make a listing presentation that will convince even the most reluctant homeowner * handle rejections * formulate a marketing plan * service listings * build a referral base * stage open houses * close the sale Complete with Internet resources and a sample resume and log sheet, this is the one book that will show new agents and experienced Realtors alike how to make more money than they ever thought possible.
