PAUL REVERE S RIDE FROM THE HORSE S MOUTH

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.What if we were to go back to the time of Paul Revere and let the horse tell the story of the great ride through the countryside to warn that the British were coming. Maybe the horse had other reasons for making sure Paul Revere rode like the wind that night. The story is fun and the pictures are for coloring. Great for story and activity time for the young and the young at heart.
