This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.Novelist Michael Fontana ponders matters of faith in his new collection of essays, *Dozen Meditations*. Fontana's thoughtful voice rings clear in a collection that offers a sense of stillness in a world full of chaos. Published by the Medulla Review Publishing, Fontana's work broaches personal issues with enlightened words that dig deeply into the true grit of life. *Dozen Meditations* is a sacred space of meditation; a space where fear has no place, and mindfulness reigns. "You are the Earth," Fontana states. "You are not alone in the world. You never have been." The writer is careful and deliberate in his phrasing, tackling the very substance of our existence and exploring a means toward better living. "Watch where your mind takes you. Take it to better places," he writes. Michael Fontana is the author of two novels: *Sleeping with Gods* and *The Sacred Machine*. His prose and poetry has been published in several journals, including *The Other Side*, *The Sun*, *Z Magazine*, and *Tikkun*.
