

Gen Cmb Lvwll Physcl; Connect Access Card

By Marc Lochbaum

McGraw-Hill Education, United States, 2014. Book. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Connect Get Active 2.0 is an online system that will enable you to more efficiently, effectively, and flexibly manage and teach your sport and activity classes. Connect Get Active includes an eBook with chapters on basic fitness and wellness concepts as well as more than 20 specific sports and activities; you can also customize it with your own materials. The eBook provides consistent content across chapters covering history, equipment, rules and strategies, and technique as well as a wealth of photos and videos to demonstrate key skills, techniques, and drills. Connect Get Active comes pre-loaded with quizzes and fitness labs: Students complete their readings and assignments outside of class to maximize their activity time during class. Assessments are automatically scored and report to your grade book, and you can view reports of student performance across multiple sections. Connect Get Active also provides simple integration with any learning management system.

Reviews

This composed book is great. It is actually loaded with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Lucious McDermott**

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.
