Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Your Twenties are the Launching Pad for Your Future Success. You re probably familiar with the usual narrative around millennials: No jobs, no money, no houses, and uncertain futures. What if we could change that narrative through doing things a bit differently? What if we could not only retire at 65 but at 55 or 45 instead? Many of us reach the finish line of college only to then ask now what? Nowhere is the silence more deafening than in the area of personal finance. As a twentysomething who s been there, Matt Morrill outlines several strategies that can not only help you survive in your financial life, but eventually thrive in it too. By applying principles from business, you ll learn how to optimize your savings, reduce your cost of living, build stronger revenue streams, and carefully think through major financial decisions in your twenties like grad school. Here are the specific lessons you ll learn: 1. Invest in Your Financial Education 2. Save More, Spend Less 3. Never Live Alone 4. You re Not Smarter Than Mr. Market 5. Find a Job You Don t Hate 6. Think Long and Hard About Graduate School Ready to get started? For more, check out.
