

The Protestant Ethic and the Spirit of Capitalism by Max Weber

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The Protestant Ethic and the Spirit of Capitalism by Max Weber, Max Weber, Stephen Kalberg, Stephen Kalberg, For more than 100 years, Max Weber's The Protestant Ethic and the Spirit of Capitalism has set the parameters for the debate over the origins of modern capitalism. Now more timely and thought provoking than ever, this esteemed classic of twentieth-century social science examines the deep cultural "frame of mind" that existed at the birth of modern capitalism and to this day influences attitudes toward work in northern America and Western Europe. In this volume, Stephen Kalberg revises his internationally acclaimed translation-using shorter sentences and more lucid language-to make the work even more accessible to students and other readers. Capturing the essence of Weber's style as well as the subtlety of his descriptions and causal arguments, this is the only translation of the revised 1920 edition of The Protestant Ethic and the Spirit of Capitalism published since 1930. To draw readers into the material, this engaging volume includes extensive introductions by the editor, a chronology of Weber's life, a glossary, and numerous clarifying endnotes. Detailed commentaries discuss the controversies Weber addressed, explain his complex causal argument by reference to the general contours of his sociology, summarize the history of "the Protestant Ethic debate," and examine the significance of "the Protestant Sects" essays. Ideal for courses in sociology, anthropology, political science, history, international relations, economics, and cultural studies, The Protestant Ethic and the Spirit of Capitalism is an essential resource for anyone seeking to understand the origins and endurance of the modern West.
