Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I could sense the gathering of the storm clouds. The winds of disaster began to blow through me with a cold chill. I could imagine the ugly thunderheads billowing skyward on the distant horizon, but I was totally unprepared for the bolt of lightning the sexual predator, Carl, would soon deliver, changing my life forever. It had begun. This was like an omen. I could feel there was something very wrong with Carl. I felt ill at ease around him and the other guys. I tried to keep to myself and just do my work. I knew all of them and was cordial to them, but they were always talking about how they could get rid of anyone on the shift they wanted gone. I felt that I got along with them okay, but deep down knew they did not like women on that crew. The store was locked after 10 o clock and the only people inside were the night crew. It was always very quiet. When someone talked you could hear them all over the store.
