

Corporations are Not People: Reclaiming Democracy from Big Money and Global Corporations (2nd Revised edition)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

CORPORATIONS ARE NOT PEOPLE: RECLAIMING DEMOCRACY FROM BIG MONEY AND GLOBAL CORPORATIONS (2ND REVISED EDITION)

Berrett-Koehler. Paperback. Book Condition: new. BRAND NEW, Corporations are Not People: Reclaiming Democracy from Big Money and Global Corporations (2nd Revised edition), Jeffrey D. Clements, Bill Moyers, Americans are using new strategies and tools to renew democracy and curb unbalanced corporate power. STILL ESSENTIAL: The Citizens United decision continues to distort the electoral process and expand the power of corporations UPDATED THROUGHOUT: This second edition details both the ruling's expanding damage to democracy and, in an all-new chapter, how citizens can lead the battle against it The Supreme Court's Citizens United ruling that corporations are people eliminated campaign finance restrictions and dramatically increased corporate power ""but attorney Jeff Clements shows how you can fight back. Clements explains the strange history of how the Supreme Court came to embrace a concept that flies in the face of not only all common sense but most of American legal history as well. He shows how unfettered corporate rights will impact public health, energy policy, the environment, and the justice system. In this new edition Clements details Citizens United's ongoing destructive effects-for example, Chevron was able to spend \$1.2 million to influence a single local election in a city of 100,000 people. But he also describes the growing movement to reverse the ruling-since the first edition 16 states, 160 members of Congress, and 500 cities and towns have called for a Constitutional amendment to overturn Citizens United. And in a new chapter, Do Something!, Clements shows how-state by state and community by community-Americans are using new strategies and tools to renew democracy and curb unbalanced corporate power. A plain-English guide to the disastrous practical consequences of the bizarre legal doctrine of corporate personhood enshrined most recently in the Supreme Courts Citizens United decision Features a constitutional amendment designed to overturn Citizens United and restore...
