Bantam Doubleday Dell Publishing Group Inc, United States, 2009. Paperback. Book Condition: New. Reprint. 198 x 132 mm. Language: English . Brand New Book. People who take God seriously will not remain silent about their faith. They will often disagree about doctrine or policy, but they won't be quiet. They can't be. They'll act on what they believe, sometimes at the cost of their reputations and careers. Obviously the common good demands a respect for other people with different beliefs and a willingness to compromise whenever possible. But for Catholics, the common good can never mean muting themselves in public debate on foundational issues of human dignity. Christian faith is always personal but never private. This is why any notion of tolerance that tries to reduce faith to private idiosyncrasy, or a set of opinions that we can indulge at home but need to be quiet about in public, will always fail. --From the Introduction Few topics in recent years have ignited as much public debate as the balance between religion and politics. Does religious thought have any place in political discourse? Do religious believers have the right to turn their values into political action? What does it truly mean to have a separation of church and state? The very heart of these important questions is here addressed by one of the leading voices on the topic, Charles J. Chaput, Archbishop of Philadelphia. While American society has ample room for believers and nonbelievers alike, Chaput argues, our public life must be considered within the context of its Christian roots. American democracy does not ask its citizens to put aside their deeply held moral and religious beliefs for the sake of public policy. In fact, it requires exactly the opposite. As the nation's founders knew very well,...
