SIMPLE CHEMISTRY EXPERIMENTS WITH EVERYDAY MATERIALS

Book Condition: New. Ships From Canada. Trade paperback (US). Glued binding. Contains: Illustrations. Audience: Children/juvenile. From School Library Journal: A collection of around 100 simple chemistry demonstrations using household materials. Most take only a few minutes to perform; procedures are straightforward and include appropriate safety precautions. In one form or another, these experiments have appeared in other books and cover familiar chemical topics such as states of matter, acids and bases, and solubility. Explanations are brief and, because the author...
