THE AMULET: PART THREE

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Amulet is a very high-concept (three-part) Christian thriller. But that is not the only thing that stuns the IAA. It appears to exhibit supernatural properties. One night, while studying the antiquity in an underground laboratory, the worst screams ever heard in human history reverberate through the building. Armed guards nervously enter the room, their gun hands shaking. What they find cannot be explained. And the relic goes missing, lost to the IAA forever. Thirteen years after these events, unrelenting...
