

Call the Fire Brigade

By Allan Grice

Paperback. Book Condition: New. Not Signed; Working as a fireman in London's East End during the early 1970s was no easy ride. In the years before workplace health-and-safety legislation had started to exert its grip, Allan Grice had to cut his fire-and-rescue teeth without the advantages of a breathing apparatus for each member of his crew. Back then, the time-tested strategy was to 'get in' - to crawl below the intense heat and 'eat' the thick smoke - in order to locate a missing child or to halt a rapidly spreading inferno. In *Call the Fire Brigade*, Grice recounts his most memorable experiences as a senior member of the London Fire Brigade working the city's East End, with its myriad commercial premises, brooding Thames-side warehouses, seedy tenements and colourful cosmopolitan community, ranging from prosperous manufacturers to down-and-out winos with their body-warming bonfires on rubble-strewn bombsites. Fires in factories, tenements and warehouses, and non-fire emergencies such as the Moorgate Tube disaster of 1975, are graphically described, while the elation of rescue, the sadness of being too late to save lives and the warm camaraderie of fire crews during some of the capital's busiest peacetime years are vividly depicted. book.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
