## 22 ACCESSIBLE ROAD TRIPS: TRAVEL IDEAS FOR WHEELERS AND SLOW WALKERS

Demos Medical Publishing. Paperback. Book Condition: new. BRAND NEW, 22 Accessible Road Trips: Travel Ideas for Wheelers and Slow Walkers, Candy B. Harrington, 22 Accessible Road Trips contains useful and detailed information about accessible travel, that's readable, informative and pertinent. The book is aimed at those who use wheelchairs, walkers or just have mobility issues. Organised geographically, the book is divided into 22 chapters, with each chapter detailing a loop driving route that can be completed in approximately 2-3 weeks. The routes are spaced throughout the US, with each route having a theme or a commonality. Each route begins in a gateway city with a major airport, so the trips can also be completed as fly-drive packages. And of course they can always be broken up into shorter trips, or even day excursions. Flexibility is the key with this book, with plenty of opportunity to personalise each route to meet individual tastes, time frames and budgets. Candy includes details about accessible lodging, sites, trails, attractions and restaurants. She also gives readers a real flavour of the drives, with off-the-beaten-path finds, unique roadside attractions and rural driving routes also included. After all, accessibility is in the eye of the beholder; and what may be accessible to one person can be filled with obstacles to someone else.
