As Maine Went: Governor Paul LePage and the Tea Party Takeover of Maine

By Mike Tipping

Tilbury House Publishers, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Most people are familiar with the stormy tenure and in-your-face pronouncements of Maine governor Paul LePage, elected in a three-way contest in 2010 with 38 of the vote. As Maine Went looks behind the headlines at the results of LePage's hard-right policies on everything from health care to the economy and the environment. This book is a case study of what happens when the Tea Party, a movement defined by its distrust of government, is handed the keys to a state. Author Mike Tipping is a columnist and blogger for the Portland Press Herald and Bangor Daily News whose writing has brought to light a series of controversial statements and actions by Governor LePage. Mike revealed the governor's false claim that 47 of Mainers refuse to work, his theory that a wind turbine was fraudulently driven by a little electric motor, his exemption of his own state pension from his budget cutbacks, and, most recently, the wholesale plagiarism of the Alexander Report, among many other examples.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
