

## Capital and Population: A Study of the Economic Effects of Their Relations to Each Other (Classic Reprint)

Filesize: 8.49 MB

### ***Reviews***

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

***(Payton Miller)***

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Capital and Population: A Study of the Economic Effects of Their Relations to Each Other My position as an economist, as exemplified in this treatise, is a peculiar one. While classing myself, I believe justly, as a strict disciple of what is usually called the English or orthodox school, I have arrived at results, in many instances, diametrically opposed to theirs; especially on the subjects of free trade and taxation. On the other hand, my reasoning presupposes the falsity of most of the arguments heretofore advanced in support of the very conclusions I uphold. As I antagonize the results of one side and the methods of the other, I can look for friends in neither camp. Nevertheless, as the principle I have enunciated really effects the reconciliation of two lines of thought, apparently hopelessly divergent, I may, perhaps, expect to be sustained by those of both sides who prefer construction to destruction. It would be false modesty in me to seem unaware that the economic law I have attempted to establish equals in its influence upon economic conclusions any hitherto ascertained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
