General Accounting Office, 1999. OCLC Number: (OCoLC)42379936 Subject: Alien criminals -- United States. Excerpt: . . . B-278745 INS In a December 1997 letter responding to our recommendations, told your Subcommittee that it recognized the need to automate its processes for identifying and tracking its processing and removal of criminal aliens. INS has begun an effort to establish an automated federal IHP tracking system that is to capture information, such as name, date of birth, country of birth, and A-number, if available, on foreign-born inmates in BOP correctional facilities. INS is in the process of developing, testing, and implementing the tracking system at federal facilities. According to an INS official, the tracking system was pilot tested at INS Oakdale, LA, federal IHP site between March and June, 1998. The official also said that the tracking system was implemented at three federal IHP locations, including Oakdale, as of the INS end of fiscal...
