H J Kramer, United States, 2010. Paperback. Book Condition: New. 249 x 163 mm. Language: English . Brand New Book. Millman s self-improvement franchise gets a graphic novel treatment in this adaptation of his 1980 autobiographical novel, *Way of the Peaceful Warrior*. UC Berkeley gymnast Millman is the star of the team as they prepare for the NCAA national competition until his father s death causes him to lose focus. A strange dream leads him to a rundown gas station where he meets an enigmatic man he dubs Socrates, someone Dan swears he recognizes from a recent dream. Socrates urges Dan to consider his purpose in life and soon becomes the young man s spiritual teacher and mentor, with the help of a mysterious young woman named Joy. When an accident threatens to destroy Dan s gymnastics career, he must decide if he trusts Socrates and his unorthodox methods, which include fasts and mental, as well as physical, endurance tests. Socrates guides Dan on a journey to discover within himself not only his strengths as a gymnast but also as the Peaceful Warrior of the title. First time illustrator Winegarner capably brings Millman s age-old story of master and pupil to life on the page with a style that won t win any awards but tells the story cleanly. --Amazon.
